GUIDELINES:

A team may reserve a field for a total of two (2)-two-hour practices per week and one (1)-two-hour practice on Saturday or Sunday.

The teams requesting to use these facilities are expected to pick up after themselves after each use. In the event the facilities are left excessively dirty and or damaged, it will result in termination of this Ball Field Usage Agreement. In the event other individuals are using the field when you arrive to use it, please show them your ball field usage agreement.
