OLD BUSINESS

A CLG application to nominate the Park to Park Residential District to the National Register of Historical Places was sent to SHPO on Aug. 10, 2012 for review. At the time of this meeting, no reply has been received if we have received the CLG.

No DVD sales were made this month.

Several endangered properties were discussed which fall within the recently researched residential district.

NEW BUSINESS

There being no new business, it was moved by Bob Morawitz and seconded by Gwen Brown to adjourn the meeting at 6:05 pm.

Gwen invited the Commission and guests to her home in December for a holiday get together with each bringing a side dish to share. The date has not been set but invitations will be sent with date and time.

Respectfully submitted,

Dianna Holmes
